

Cartesian Therapeutics Announces New Employment Inducement Grants

July 2, 2026

FREDERICK, Md., July 02, 2026 (GLOBE NEWSWIRE) -- Cartesian Therapeutics, Inc. (NASDAQ: RNAC) (the "Company"), a late clinical-stage biotechnology company pioneering cell therapy for autoimmune diseases, today announced the granting of inducement awards to eight new employees. On July 1, 2026, the Company issued to these employees options to purchase an aggregate of 238,700 shares of the Company's common stock with an exercise price of \$10.18, the closing trading price of the Company's common stock on the Nasdaq Global Market on the date of grant. The options were granted pursuant to the Company's Amended and Restated 2018 Employment Inducement Incentive Award Plan and were approved by the Company's board of directors. The options vest as to 25% on July 1, 2027, and then in thirty-six substantially equal monthly installments thereafter such that the options will be fully vested on July 1, 2030. The options have a ten-year term. The options were granted under Rule 5635(c)(4) of the Nasdaq Listing Rules as an inducement material to the employees' entry into employment with the Company.
